

SALLE B

The diagram shows a floor plan with two main rooms: 'SALLE B' at the top and 'SALLE A' at the bottom. 'SALLE B' is a large rectangular room with a light green background. Inside it, there is a smaller rectangular area with a light blue background, which is divided into four smaller rooms. Two of these rooms contain yellow toilet icons, and one contains a blue toilet icon. A large black 'X' is drawn over the central part of this smaller area. 'SALLE A' is a large rectangular room at the bottom, also with a light green background. At the bottom of 'SALLE A', there is a red text label 'Entrée au Marché' and a door symbol. Between the two rooms, there are two doorways. The left doorway is labeled 'Porte vers la Salle B' and the right doorway is labeled 'Porte vers la Salle B'. A horizontal rectangular area with a light green background is located between the two rooms, containing a door symbol and a line pointing towards the right doorway.
